This beautiful 2,972 square foot floor plan boasts a large foyer, formal dining room, and study as well as an oversized family room, kitchen and breakfast area. The home features beautiful ceramic tile and hardwood flooring as well as custom cabinetry, and granite countertops. The floor plan boasts a drop-off zone near the garage entrance, surround sound, and a large home theater room. The oversized laundry, two-car garage, covered front and rear porches with beautiful landscaping, and large side yard are the final details to this amazing floor plan.

Heading east on US Highway 90 in Ocean Springs, turn south onto Ocean Springs Road. Turn left onto Government Street. Stay on Government Street around the curve. The development will be on the left at Whitney Oaks Drive.
