Christopher Homes invites you to experience affordable family living in Mount Vernon. The Cranbrook is a 3 bedroom, 1.75 bath home that has been built to the 2 star SICBA Built Green standard featuring a solar panel water heater. This home compliments the Northwestern lifestyle with its covered front porch and unique Northwest room. The large master suite features a walk-in closet and private bath. Vaulted ceilings in the great room provide

spacious family living while the kitchen has a distinctive concrete countertop on the island. The Cranbrook is a home that offers the ultimate in style and comfort.

We would like to give special thanks to the awesome design team, sub-contractors, and suppliers who made this beautiful home come to life.

From I-5 take the East College Way exit and head east. Continue a couple miles and turn right on Waugh Road. Proceed up the hill through two stop signs and turn left on Broadway Street. Brittany Street is the second street on your left. The Cranbrook is the first house on the left.
