- This single family ranch home is beautiful, spacious and open. You'll love the den at the entry with a barn door.
- This home lives big, and you'll love the fireplace tile that extends most of the way up the wall, along with the spacious kitchen with a peninsula.
- This home has a separate gated yard big enough to entertain, but not a lot of yard work to hassle with; just sit back and relax.

Heading east on I-90 Exit 296 Liberty lake, stop at light go straight on East Appleway Avenue. After Huntwood building, take first right on Country Vista Boulevard, then first left on East Hawkstone Loop. Sales Center / Home will be on your right.
