From I-90, take Liberty Lake Exit 296. From Idaho: turn left at Harvard Road, go over the Interstate and turn left at Appleway Avenue. From Spokane: go straight at the light. Follow Appleway Avenue about 1 mile, turn right at Molter Road, then turn left at Mission Avenue. In less than 1 mile, turn Left at Winrock Street, turn right at Ludlow Avenue which curves left around the park to become Forest Ridge Street. In 4 blocks, turn left onto Reston Avenue. Take a Right on Wolfe Penn Street and the home will be on your left.

FEATURES

\$310,000 | 1,167 SF | 3 BED | 2 BATH

- Including 19 solar panels and LED lighting, this “healthy home” is so airtight, well insulated and energy efficient that it was designed to produce as much renewable energy as it consumes over the course of a year.
- The Oak Harbor is an open concept cottage home with a contemporary-style interior with tastefully selected grey, black and white finishes.
- Features upgraded flooring and hardware, a luxurious master suite, granite, travertine tile, stainless steel appliance package, gas fireplace, built-in bench, entertainment alcove, bookcase, and more.
